Westchester County Executive

AIA Westchester Hudson Valley

Sessions for Wednesday, March 14th

Concurrent Session A

1. *Stormwater*
   Extraordinary Green Practices! - Step right up and see what stormwater practices we have to offer. We've got rain gardens, we've got planters, we've got swales. Each and every practice guaranteed to cure your stormwater quality problems. Take these green practices seriously and see your stormwater problems go away!
2. *Planning Healthy Communities*
   The built environment is a key determinant of community health. Planning Boards and Municipal Officials are in a unique position to improve community health by shaping the environments where people live, work, and play. Learn why and how local decision makers can create healthier communities that serve the entire community.
3. *Planning Board Basics*
   An overview of the responsibilities of the Planning Board.
4. *Zoning Board Basics*
   An overview of the responsibilities of the Zoning Board of Appeals.

Concurrent Session B

1. *Transit Oriented and City Center Development*
   How Land Use Regulations are Being Impacted by National Travel Trends & Mobility of the Future
2. *Form Based Codes*
   Form-based codes, implementation, and the Generic Environmental Impact Statement Process
3. *Continuum of Care*
   A discussion of the types of senior housing being developed in today's world and how they are defined and regulated.
4. *SEQRA*
   Get the basics about SEQR, understand the terminology and navigate the process.
